

Get Involved!

Thanks for your interest in getting involved. There are several ways you can volunteer with the Association, depending on your time and interests.

1. Second Saturday Clean-Up

Join us once a month to help pick up trash and debris around the colonia, especially on sidewalks and stairs. This helps keep our area clean and safe.

Time: about 1 to 2 hours per month, in person.

2. Administrative Support

The Board sometimes needs help with office tasks. This may include communications, file updates, social media posts, or website updates.

Time: about 30 minutes to 5 hours per week, depending on the need. Some tasks can be done remotely, others may require being in person.

3. Social Committee

Help plan and run monthly mixers and a few larger events each year. Some events are social, others help raise funds for projects.

Time: up to 2 hours per month for meetings, plus 5 to 15 hours per event over a couple of months. Event setup and cleanup can take an extra 2 to 5 hours for those interested.

4. Fundraising

Support efforts to raise funds for current and future projects. This could include planning campaigns, reaching out to members, or visiting local businesses.

Time: varies widely. Some months may only take 1 hour or less. Other times may require several hours per week. Spanish is very helpful when working with local businesses.

5. Membership Growth

Help grow our membership by reaching out to new residents, buildings, and local businesses. This may include meetings, outreach, or helping with campaigns.

Time: varies. Some months are light, others may involve more active outreach. Spanish is helpful for connecting with local businesses.

6. Board Membership

We are always open to adding new Board members. The Association is run by volunteers, and we especially value members who speak Spanish or have strong local connections.

Time: at least 2 hours per month for meetings, plus additional time for projects, committees, or occasional meetings with partners.

*If any of these sound like a good fit,
we would be happy to talk more and help you get started.*
